Elective Credit Total:

^{*}PLEASE LIST YOUR TECHNICAL WRITING COURSE IN THE FIRST LINE

^{**}IF YOU ATTENDED JHU FOR UNDERGRAD, YOUR TECHNICAL WRITING REQUIREMENT IS WAIVED. PLEASE SELECT "WAIVED" FROM THE DROPDOWN

Other Requirements:

Laboratory Safety

I attended JHU for undergrad; this requirement is waived due to having taken EN.540.490 (Leave table below blank). I am a Coursework-Only student and am exempt from this requirement (Leave table below blank).

Sem/Year	Course	Grade
	EN.500.601 - Research Laboratory Safety	

At least one (1) semester of each of the following:

Sem/Year	Course	Grade
	EN.500.603 - Graduate Orientation and Academic Ethics	
	EN.540.600/601 - Chemical and Biomolecular Engineering Seminar I/II	

Responsible Conduct of Research

Sem/Year	Course	Grade
	AS.360.624* - Responsible Conduct of Research	

	AS.360.624* - Responsible Conduct of Research	
	*Master's students funded through formal NIH training grants or fellowships must <u>also</u> complete the in-person training course (AS.360.625). <u>Click here for details</u> .	
Essay Title	e: (Write "N/A" if Course-Based Student)	
	Every field above, except the GRADES FOR YOUR FINAL SEMESTER, must be completed before you may request your Advisor's signature.
