New Graduate Student
“To Do” Checklist

- **NOW**: Review the entire New Graduate Student Information website at https://engineering.jhu.edu/civil/graduate-programs/newgrads/ for answers to many of your questions.

- **NOW and BY JULY 15**: See your doctor or health professional to complete the Pre-Admission Health form so you can submit it by July 15. Visit http://studenthealth.johnshopkins.edu/loader.php?page=info_for_new_students.html for info.

- **~JUNE 1**: The Registrar will send instructions on how to set up your JHED ID and JHU e-mail account. You may do so then.

- **EARLY SUMMER**: Master’s students might want to email advisor Cristopher Moen (cmoen@jhu.edu) to discuss course scheduling. Prof. Moen will need to release the hold on your SIS account before you can register.

- **BY SUMMER**: Secure off-campus housing, at the University does not offer on-campus housing. Visit the JHU Off-Campus Housing Office website at www.jhu.edu/hds/offcampus for help in finding a place to live or to find roommates.

- **EARLY JULY**: You will be enrolled automatically in the University Health Insurance Benefits plan. Domestic students have the option of waiving the insurance if they have adequate coverage. Instructions will be sent by the Registrar to waive insurance or to add dependents to the insurance.

- **~ JULY 25**: Register for classes by August 29 (doctoral students are not permitted to register until arrival).

- **BY AUGUST 21**: Arrive on campus (international students can arrive as early as 30 days before orientation).

- **LATE AUGUST**: Attend required orientations.

- **LATE AUGUST**: If conducting research anytime, take the online learning modules of Laboratory Safety. Finish by September 12.

- **AUGUST 29**: Tuition is due from those paying tuition.

- **AUGUST 30**: First day of classes

- **SEPTEMBER 4**: Take the online course 500.603 Academic Ethics course before October 30.
