HUSAM presents:
The Many Faces of Logic

Do you enjoy Sudoku?
Do you enjoy riddles and logic puzzles?
Want to solve “the hardest logic puzzle ever”?

Join Johns Hopkins Undergraduate Society of Applied Math (HUSAM) for a fun presentation by JMU’s Jason Rosenhouse, author and editor of 5 books on math and logic puzzles. The talk will be accessible to a broad audience and will assume nothing in the way of prior logical background.

Monday, November 14th at 7:30pm in Maryland 110
