

Science & Engineering Expo

Barclay Elementary/Middle School

Thursday, March 14th, 5:00pm-7:00pm

Food, Fun, Prizes and Hands-on Learning!

5:00-5:30 - Egg Drop Check-in, Registration, and Student Showcase

5:30-7:00 - Activity Stations and Egg Drop Testing Area Open

Dinner shifts offered throughout the evening!

Pre-register to compete in the Egg Drop!

Families will build their egg drop design at home and bring their final product & completed design packet to the March 14th event for testing.

ONLY ONE ENTRY PER FAMILY IS PERMITTED!

Families do not need to compete in the Egg Drop to attend the event.

Egg Drop Design Packets will be sent home the week of February 25th.
Extra packets will be available in the main office.

Return your RSVP form to your science teacher ASAP!

The grade with the highest attendance wins a pizza party!
