## **ADDENDUM TO COPYRIGHT ASSIGNMENT FOR JOURNAL ARTICLES**

The Author reserves a perpetual, worldwide, royalty-free license to this manuscript for the following purposes:

- Use of the manuscript for non-profit research or educational purposes including making multiple copies for classroom use only and posting on the Author's web site or the web site of his/her place of principle employment;
- Quoting, creating derivative works, or otherwise using portions from this manuscript.

The assignment of copyright for this manuscript to the Publisher shall apply only to the text of the manuscript and not to any ancillary materials, including illustrations; forms; instruments and/or materials, processes, or techniques; or copyrighted or previously published materials used in the manuscript. The Author grants the Publisher a perpetual, worldwide, royalty-free license to reproduce and publish such ancillary material as part of the article. This ancillary material may not be reproduced and distributed separately from the manuscript without prior permission of the Author.
